Greensboro Housing Coalition is now part of the Greensboro Housing Hub!

The Housing Hub is a result of a two year planning process in collaboration with the City of Greensboro, The Community Foundation of Greater Greensboro, and Triton building owner, Mike Haley. GHC would like to thank all of the staff and the Boards of all these organizations involved for their hard work, generosity, and dedication to make this Housing Hub a reality.

Agencies that make up the Greensboro Housing Hub are:

- Community Housing Solutions
- Habitat for Humanity of Greater Greensboro
- Partnership Homes
- Greensboro Housing Coalition
- Housing Consultants Group
- Tiny Houses Greensboro

As of January 10, 2018, GHC is now located at:

1031 Summit Avenue, The Triton Building.

Greensboro Housing Coalition is proud to announce that an endowment has been started for our agency;

The endowment is housed at the Community Foundation of Greater Greensboro.
The Lane Endowment for Greensboro Housing Coalition

The powerful aspects of the Lane Endowment is that the gift will help GHC continue into the future. Every gift to this fund will assure that GHC will be serving our community for years to come. A common misconception is that an endowment gift should be a certain amount – not true– any amount of donation can be made. If you would like to donate to the Lane Endowment for GHC please indicate on your check or donation form. You can always call our Development Director, Jane Kistler if you have any questions.
